LEGACY OF VIPS

VIPS is a haven of bliss for learners seeking quality education. The educators of VIPS emphasize and develop an inquiring mind by engaging and challenging students with diverse teaching methodologies which expand learner's horizon to succeed academically and socially. Our continuing commitment to innovation without compromising on quality has always been rewarding.

What awaits here is not just the conventional classroom experience, but a range of activities such as interactive sessions, seminars, events designed for personality enhancement and intellectuals, Creative workshops and VIPS Outbound activities. To continue building our legacy of providing an embracing CBSE curriculum, we adopt a powerful and an innovative approach that enable young learners to flourish and become well-rounded individuals.
